# OUR HERITAGE

**Print & Print has its humble past as a 2-man print shop in 1990. Since then, the company has grown many folds to become a full-fledged one-stop print production house with a staff strength of 70, operating from a 22,000 sq feet premises.**

**Quality continues to define the way we work at Print & Print. Our fast-growing clientele reflects our unswerving reputation for excellence. The well-equipped plant, coupled with the experience and expertise have geared us towards taking up time-critical tasks and massive scale print campaigns.**

**We listen, in order to best cater to your needs. Our dedicated team of marketing and customer servicing staffs will allow you to enjoy a personalized quality service that meets your specifications, timeline and budget. In short, we put you above the competition with our competitive pricing.**
